

## A. infection-induced DMS

Predicted and observed values of BCI  
No.Worms:paternal treatment interaction

Predicted and observed values of BCI  
No.Worms:PCA1 interaction

PAT  Control father group  Exposed father gro

PCA1   
-10 0 10

## B. intergenerational DMS

Predicted and observed values of BCI  
No.Worms:paternal treatment interaction

Predicted and observed values of BCI  
No.Worms:PCA1 interaction

PAT  Control father group  Exposed father gro

PCA1   
-10 0 10
